

2017 Mission Trips

Havana, Cuba

FBC will be partnering with Praying for Pelicans Mission Group June 17th – 24th, 2017. We will have the opportunity to bring a “Bible Study” to a Cuban church. Cost of approximately \$1,200.00 will cover travel, air-conditioned hotel, all food and excursions. You can sign-up on the sheet in the Missions Hallway, we must have your registration by January 1, 2017 to insure all necessary paperwork is completed and cleared in time for the trip. You will be contacted by the group leader after you sign up. We need a minimum of 10 volunteers.

Ranquitte, Haiti

FBC will work with Christian Flights International Group, which will travel to Ranquitte. We will connect with an established team that has been working in this mountainous area since 1977 to build a school, dig wells, install solar panels and various other projects. The area is somewhat rustic but beautiful. We will also use this opportunity to worship and spread the Word of God to the many children in this area. Schedule for this trip is to be determined (options now are last week of May or first week of August). The cost for this trip is approximately \$1200.00 which includes all expenses. Sign-up sheet is located in the Missions Hallway. You will be contacted by the group leader after you sign up.

Salvatierra, Mexico

FBC will once again work with Iglesia Bautista, Pastor Jamie and his family, a church of about 50 in an area about 2 hrs. North of Mexico City. We will help with VBS in one of two churches in the area; expect to work with over 100 children and lead in various church activities. Knowledge of Spanish is NOT necessary. This trip is planned for July 15-22, 2017, cost is approximately \$700.00. Due to limited transportation in the area we can only take 7 volunteers. Sign-up sheet is located in the Missions Hallway. You will be contacted by the group leader after you sign up.
