

**PASTOR SEARCH COMMITTEE
NOMINATION BALLOT**

Absentee Ballots may be mailed to 425 Eastern Bypass
or dropped off in the Welcome Center lobby.

All Absentee ballots must be received by Noon on Friday, May 17.

3.2.3.1 Establishment of Search Committee -- At an appropriate time after the announcement is made that a vacancy exists for a ministerial staff position the Personnel Committee will start the procedure for selecting the Search Committee. Each member of the church at the morning worship service(s) will be given an opportunity to nominate, by secret ballot, up to seven (7) members to appear on a search committee ballot. The Personnel Committee will tabulate the nominations and will contact the top nominees to determine their willingness to serve. With a goal of twenty-one (21) names, a ballot will be prepared from those nominees willing to serve. No family may be represented by more than one member from a single household. The names of those on the final ballot will be announced and distributed to the membership through the church publication.

After prayerful consideration, please print
the names of up to seven (7) members.
