

Constitution & Bylaws Change

The Finance Committee recommends a change to the Constitution and Bylaws regarding the annual audit of the church financial records. The current wording requiring an annual “...*audit*...” would be changed to requiring an annual “...*audit/review*...” This will save the church \$5,000 per year. This recommendation will be presented from the pulpit and in the bulletin on June 9th and June 16th, and a membership vote to approve the change will be taken on June 23rd.

The current ***/recommended*** wording is:

Section 8.5.1 Financial records of the church must be audited ***/reviewed*** annually by an independent CPA firm.

Section 8.5.2 The Finance Committee is charged with overseeing the ***audit/review*** process.

Section 8.5.3 The annual ***audit/review*** must be presented to the church at a business meeting.
