Please be advised that this calendar is subject to change. We follow Madison County School System on weather closings. If they are closed or delayed due to inclement weather we will also close. If Madison County operates on a one or two hour delay The Learning Center will open at 10 am with no early care provided that day. The Learning Center has extended the school year by one week May 14th - May 17th to allow 4 extra days of instruction in case of inclement weather. If we do not have inclement weather we will still attend May 14th - May 17th.

Please keep this copy for your reference throughout the year.
