

Learning Center Before and After Care Programs

The Learning Center offers early drop off that begins at 7:50 a.m.-8:30 a.m. (must be dropped off by 8:30 a.m.) and late pick up that continues until 3:15 p.m. The charge for the early care or late care services is \$4 each. If you plan on using both services on the same day there is a \$7 charge. These are prepaid services and you must sign-up for them in advance each month. These fees are nonrefundable. Early and late care services are only available to pre-school and kindergarten students. Two year olds are eligible for the early care service only.

We also offer a drop at the door service for a charge of \$10 per month. This service runs from 8:45 a.m.-9:05 a.m. Children can be signed in and dropped off at our front door with teachers walking them in. This is also a service that you sign up for in advance each month and is prepaid and nonrefundable. Drop at the door service is available for all age groups (parent's day out – kindergarten).

We understand that emergencies arise if you need the late pick up service as an emergency please contact the director at (859)623-4028 ext. 211. Thank you.
