**Re:** Long Range Planning Committee 2015

---

FBC Members,

Over the last eighteen months, the Long Range Planning Committee has received feedback from the congregation through the "Dream Mosaic" and distributed that information to the committees for their thoughts and action. The committees have used this feedback in their decision making. To further refine the long range strategy for our church, the Long Range Planning Committee will be requesting members to participate in a more targeted survey focusing on the same four categories used in the mosaic: Missions, Ministry, Leadership, and Facilities. Survey questions will be designed to solicit specific information in these categories to help with planning, prioritizing, and helping us set an overall church strategy. More information will be forthcoming in the next few weeks; we covet your prayers and your participation in this important ministry.

The 2015 timeline for the Long Range Planning Committee will be as follows:

- 2<sup>nd</sup> Quarter – Issue Survey
- 2<sup>nd</sup> & 3<sup>rd</sup> Quarter – Analyze The Results
- 3<sup>rd</sup> & 4<sup>th</sup> Quarter – Present The Results To The Church
- November Business Meeting- Present Revised Church Strategy And Long Range Plan To Church For Vote and Adoption

Serving Christ with You!
